

Material Solutions

Making it easy to do business

LOG IN document

How do I login on the web site?

1. Visit www.materialsolutions.ie
2. If using computer, choose 'My Account' at top right.
If using mobile, choose 'Person' icon at top of screen.
3. Choose 'Log in' - enter your Email and Login password.
4. Click 'Sign In'

Note: If you experience any difficulty logging in on our web site, or if you do not yet have your unique Login code, please contact us at admin@materialsolutions.ie

When you login.... there are 2 main dashboards that you can view.

Your Account Dashboard

Your Account dashboard is the default screen appearing when you log in. It's an overview of your business account with Material Solutions and the data displayed, is retrieved directly in 'real time' from our central ERP system.

In this dashboard, you'll have access to your **Account overview, Stats, Order History** with Re-order function, **Invoices, Statements** and more.

Note: When logged in and seeing your Account dashboard, click the '**Return To Store**' button (appearing above your Business Name) to take you back to the main web to browse products.

The screenshot shows the 'ncpCommerce' dashboard. A red dashed box highlights a 'Return To Store' button with a red arrow pointing to it from the text above. A yellow arrow points to the 'Business name' header. Another yellow arrow points to the left-hand navigation menu. The dashboard contains several sections:

- Recent Orders:** A table with columns Date, Number, Status, and Total.
- Recent Quotations:** A table with columns Date, Number, Status, and Total.
- Account Overview:** Cards for Overdue (0.00), Last Payment Date (01/01/0001 00:00:00), and Balance (7,281.60).
- Aged Balances:** A bar chart showing Current (4208.10), Oct (3011.06), Sep, Aug, and Jan.
- Credit Account:** A table showing Status, Credit Limit (10,000.00), and Unbilled (0.00).

The options available at left of screen when logged in to your dashboard, are managed via our main ERP data system. (Menu list displaying here subject to change as we release new functions).

YOU

Your Profile

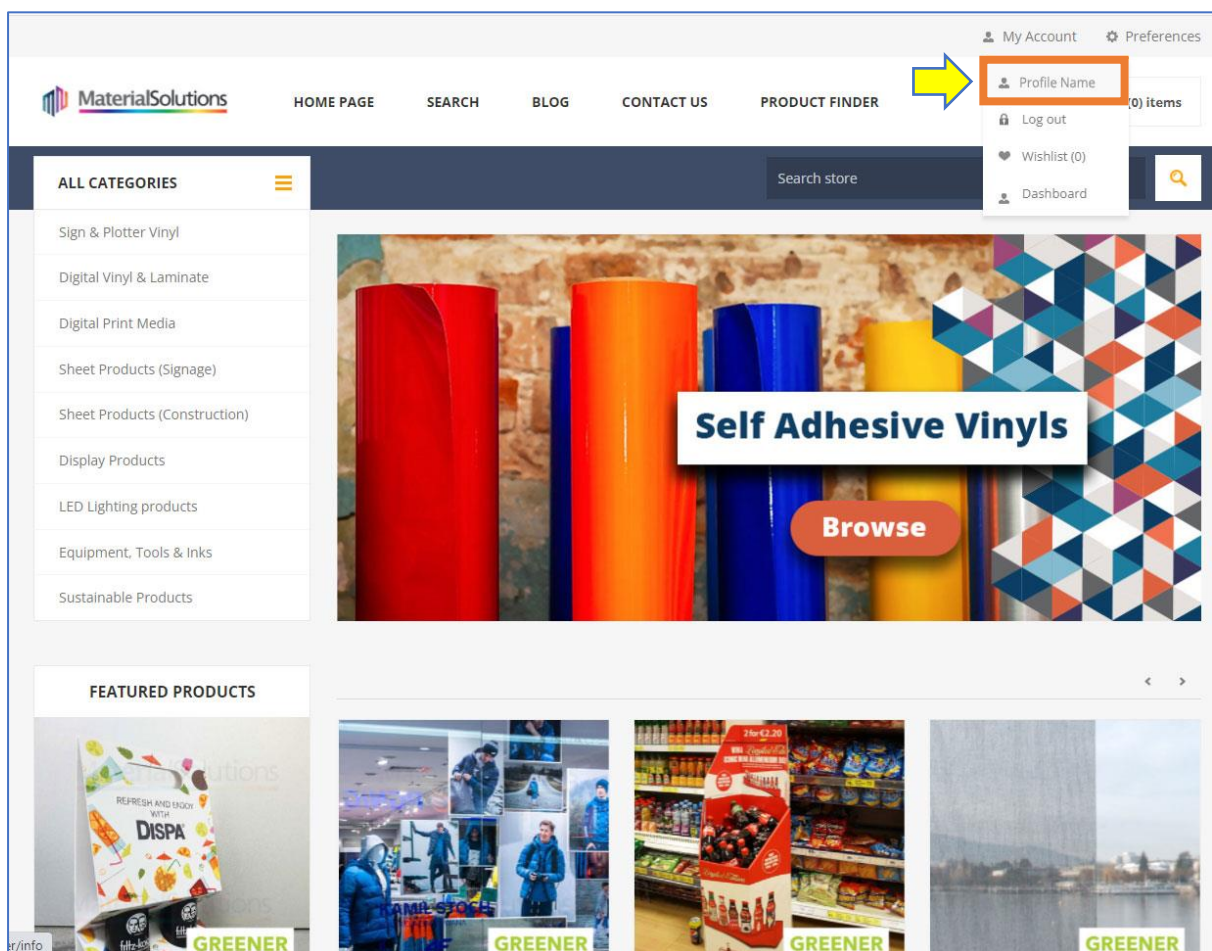

Your Account

Profile

Your web site profile is about you, the user of the site. You can choose to customise certain features here, such as your **Favourites list**, **Delivery addresses** for shipping goods, See **Web Orders Placed**, **Change your Password** and more. To access this area, login and then click your name appearing under the 'My Account' button at top right of the web site.

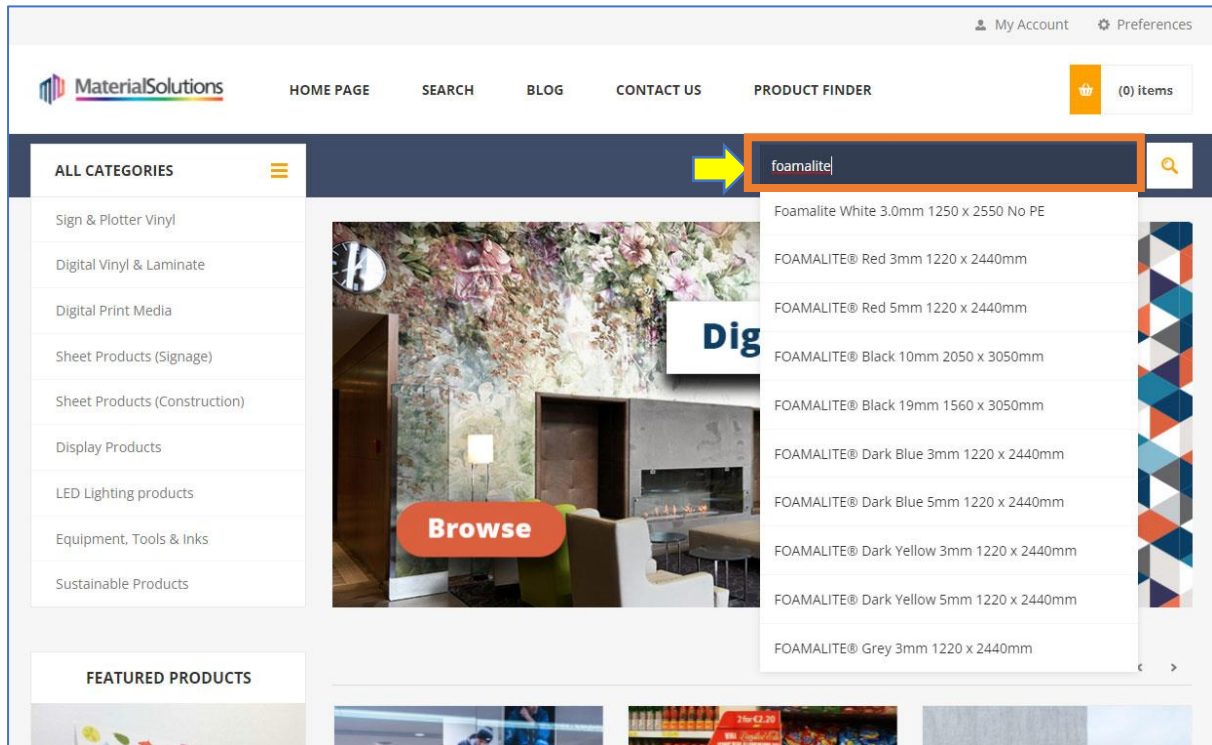

Use the menu at Left of Screen to browse different options. Your **Order History**, **Quick Re-order function**, **Invoice documents** and more are displayed here.

Note: When logged in and seeing your Account dashboard, click the '**Return To Store**' button (appearing above your Business Name) to take you back to the main web to browse products.

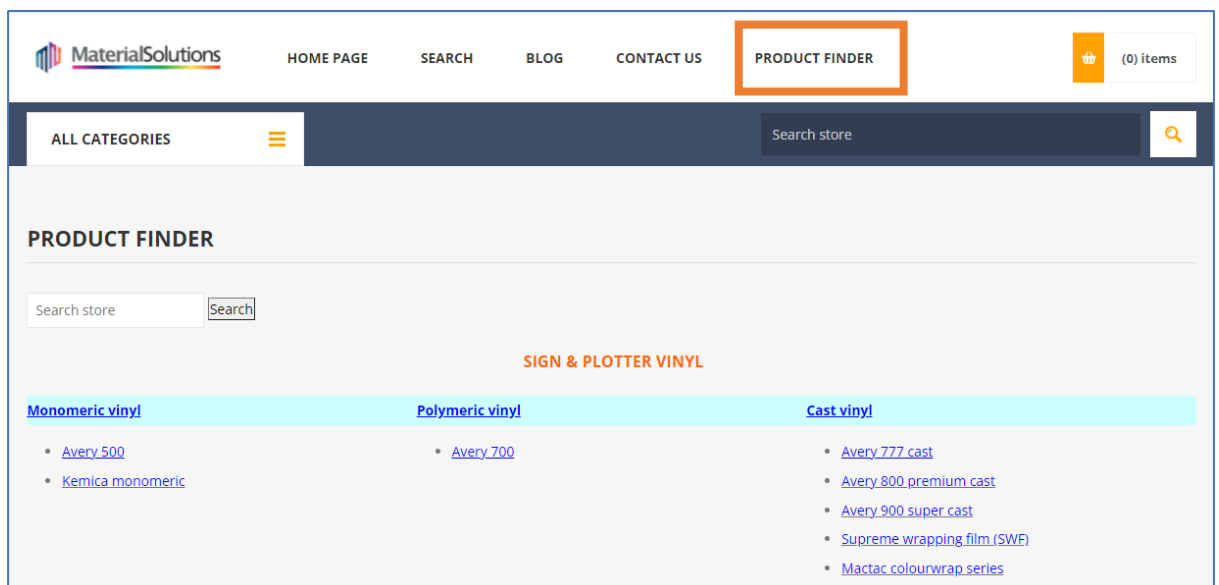

Web Site Search

The web site platform uses a **Keyword** 'catch all' search capability to browse hundreds of products on the site and deliver search results instantly. Similarly, you can also search the site by **Product Code**. Search results are clickable, taking you directly to that product page.

...with Quick Find

A quick find list of all products on the web site is available via the 'Product Finder' link in the top, horizontal navigation menu. *(This list is expanding all the time!)*

Finding documents & Images

Documents, such as **Technical Data Sheets** (TDS) and **Product Brochures** are available on the Category landing page and also on each Product page.

Document downloads appear as orange hyperlinks and are set to open documents in a 'new' browser window.

Product images are available on each Product page and can be downloaded from there if required, by right clicking and choosing 'save Image As'.

Downloading documents...

The screenshot shows the MaterialSolutions website interface. The top navigation bar includes links for HOME PAGE, SEARCH, BLOG, CONTACT US, and PRODUCT FINDER. A shopping cart icon shows (0) items. The sidebar on the left lists ALL CATEGORIES, SUBCATEGORIES (FOAMALITE® x-press White, FOREX® 19mm White, FOAMALITE® colour, FOAMALITE® plus), MANUFACTURERS (Avery Dennison), and RECENTLY VIEWED PRODUCTS (FOAMALITE® x-press White 2mm 1220 x 2440mm). The main content area is titled FOAMALITE® PVC and describes the product's applications. A section titled FURTHER INFORMATION ON FOAMALITE® contains two orange hyperlinks: FOAMALITE® Product information (PDF 424 KB) and FOAMALITE® Processing (PDF 129 KB). A yellow arrow points to this section. Below the text are three product images: FOAMALITE® X-PRESS WHITE, FOREX® 19MM WHITE, and FOAMALITE® COLOUR.
